Enclosed is one (1) copy of Genwal Coal Company's reformatted Mining and Reclamation Plan for the Crandall Canyon Mine in Emery County, Utah. The Division required Genwal to submit this reformatted plan as part of the permit renewal application in order to conform with the new R645 coal mining regulations. This material is for your review, information, and files. The Division anticipates completing its review by May 6, 1993, which is one week prior to the renewal deadline. Please provide any written or verbal comments you may have on these plans by this date.

If you have any questions or need additional information, please contact me or Jim Smith, Reclamation Geologist, at your earliest convenience.

Sincerely,

Daron R. Haddock  
Permit Supervisor
